“Heart of Our Hero”

John 15:12-13

Second Edition

Something to Consider:

Live a life worthy of the calling
you have received.

Be completely humble and gentle.

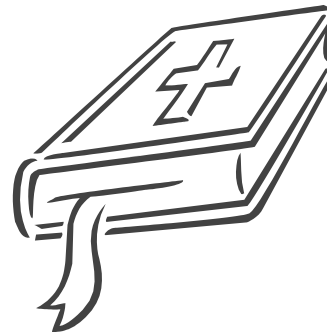

Ephesians 4:1-2

Remember wrestling on the floor when you were a kid? The inevitable parental warning usually went something like this: “Don’t play rough or someone’s going to get hurt!” That same warning holds true today. Anytime you interact with another person, there’s a

chance that someone may get hurt. That’s why being gentle with one another is so important.

It doesn’t matter if you’re a big, burly guy or a gal who’s never met a risk she didn’t want to take. Gentleness is not a personality trait. It’s a character quality worth putting into practice.

Whoever you spend time with today—friends, family, and strangers alike—play gently. Let your words, your tone of voice, our actions, and even our attitude reflect

a tender, godly spirit.

Welcome

My name is C. Warren and I am in my second year of SIUE'S early childhood education program. I am excited to announce that I will be working as a student teacher on Tuesday and Thursday's in Mrs. Robinson's first grade classroom beginning on August 30th through December 8th. I am extremely blessed to have the opportunity to work, learn, and grow with the students and teachers of Good Shepherd Lutheran School. I look forward to meeting as many of you as possible and getting to know your children during my

time at Good Shepherd.

I am a 22 year old who graduated from Edwardsville High School when I then decided to attend Southern Illinois University - Edwardsville. Ever since I was young, I knew that I would pursue a career in early childhood education. Working with children and students of all ages has always been a passion of mine. Making an impact on children's lives in and out of a classroom is something that I plan to do when I graduate in the spring. Some fun facts about me are that my favorite color is blue, I am in love with Bread Company's Greek salads, and I love being surrounded by family and friends. I believe that I am here today because God has a special plan for me, and I look forward to all of the wonderful things the future has to offer.

Routines and Procedures

As we finished the second week of school there are many things that are still new to a brand new year. I want to stress some of the following items to make sure we are all doing the same things. First, make sure you understand drop off and pick up procedures...safety is first in what we do...your child may be dropped off at the yellow line to expedite the process. Second, if you have any questions about the classrooms, please contact the teacher as you are partnering with them in behalf of your child. And finally, we appreciate an open communication for all parents concerns to be addressed by the principal. And we ask for your prayers daily as we seek excellence. That is what makes our school special!

Late and Early Departure

When a child arrives after the bell, **you and your child** must go to the office first and sign in. When a child needs to be picked up early, the parent will need to sign the child out and then wait for the child to come to the office. Please do not go to the classroom by yourself. The teachers have been instructed not to dismiss the child unless the office calls the room to verify it. Your child's safety is important to us!

Safety Drills and Preparation

At the beginning of each school year, the staff reviews and students practice drills related to fire safety, tornado safety, earthquake safety, and other emergencies such as hostage taking, bombs, etc. These are unpleasant but necessary considerations.

Mr. Mayhew welcomes questions. Please pray for the continued safety of our children and all children.

Arrival and Departure—Safety First

Patience..... This is the key to safe arrival and departure. Share this with your child's driver.

Always...Be careful when backing your car some students are not very tall.

Drive slowly – when arriving and departing. (Remind your teenage driver).

Drive according to the direction of parking spaces. Use the crosswalks and never walk between cars.

Please do not...Never, ever pass a car. This is VERY dangerous.

Do not park along the front of the building – even for a short period of time.

During dismissal you may park before the entrance to the church, but not after.

Before School...Please do not park or have a prolonged stop in the drop off lane (Yellow curb). Pull into a parking spot instead.

Drop off along the front of school and the J curve only.

Children can walk the length of the sidewalk to the front door of the school. You do not have to pull directly in front of the school for drop off.

This will help so we do not have long lines.

The front doors will open at 7:45 a.m.

After School...

It is best to park and wait for your child to come to your car or park and walk to the school entrance to meet your child.

Please do not honk your horn and remember to be patient!

Please do not park in front of the church as you wait to pick up someone.

Standardized Dress

The dress code and visual pictures are available on the website with frequently asked questions with answers. Please help us maintain this by viewing and supporting the dress code.

Tardy Slips

Students arriving late to school must have a tardy slip to enter the classroom after the bell has rung. When you sign in your child, the student will be given a tardy slip to take to the teacher. Arriving late due to an appointment, please bring an excuse from the doctor's or dentist's office.

Visitors

All parents picking up or dropping off their child during school hours will need to stop in the office and sign out your child. Security for the children is important to us. All visitors who come into the school building during the school hours will be identified by wearing a visitor's badge. When an individual signs in the school office, they will be issued a badge.

Important Lunch Program Updates
