Something to Consider...

Thanksgiving is only 3 weeks away.

We are constantly reminded of the all the many blessings we are thankful. Each one of us could fill pages, and hopefully you will remember to thank God for these many blessings. We at Good Shepherd are thankful to God for these many blessings He has showered on our school. These blessings include an excellent student body, willing, helpful and supportive parents, fine facilities and a dedicated staff. I am personally thankful to God for each one of you, your children, the staff and members of Good Shepherd Lutheran Church. My prayer in this Thanksgiving season is that we continue to work together in Christian love and concern for the educational values evident here at Good Shepherd, and give God thanks and glory for all He has done and will continue to do.

May God continue to watch over you and your family!

Robert Mayhew, Principal

The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.
