## Something to Consider...

### Thoughts on Friendship....

Friends eventually forgive and come back together because people need people more than they need pride. Words in haste do friendships waste. Love is the doorway through which the human soul passes from selfishness to service and from solitude to kinship with all mankind.

In choosing a friend, go up a step. People who are always making allowances for themselves soon go bankrupt.

### WHAT A FRIEND WE HAVE IN JESUS

What a friend we have in Jesus  
All our sins and griefs to bear  
And what a privilege to carry  
Everything to God in prayer

Oh, what peace we often forfeit  
Oh, what needless pain we bear  
All because we do not carry  
Everything to God in prayer

Have we trials and temptations?  
Is there trouble anywhere?  
We should never be discouraged  
Take it to the Lord in prayer

Can we find a friend so faithful  
Who will all our sorrows share?  
Jesus knows our every weakness  
Take it to the Lord in prayer

**Robert Mayhew, Principal**

**The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.**

## Daily Home Screening for Students

---

Please use this link to complete and submit a student's home screening results:

<https://forms.gle/bhd5KdtJs2acsPdu9>

- **Face covering is needed to enter the building.**
- **Please do not give your child Tylenol to mask the temperature and then send them to school.**
- **When should the home screening be performed?**

Home screenings are to be completed the morning before each school day. Ideally, the evaluation should be completed and submitted before you commute to school. Before the student enters the school, a faculty member will verify that the student's screening data has been submitted.
- **Does the screening have to be performed on the morning of the school day?**

Yes, the home screening must be completed and submitted on the morning of the school day.
- **Can the student be screened at the school entrance?**

We are asking families to complete and submit all student screenings BEFORE coming to the school door to be checked in. This approach will help to reduce the amount of time required to check-in each student. The parent will have to do this prior to the student being able to enter the building.
- **How do I submit the screening results?**

Simply click the link above and follow the instructions on the form. After the form is submitted, there will be a link that allows you to fill out additional forms if needed. (A separate form is required for each student.) Please answer the questions as accurately as possible.
- **What type of device can I use to submit the form?**

You can use a desktop computer, tablet, or smartphone. The only requirement is a data connection. For convenience, it is recommended that you save a shortcut to the form so that you can easily access it every morning.
- **I have multiple children who attend Good Shepherd. Is a separate form required for each child?**

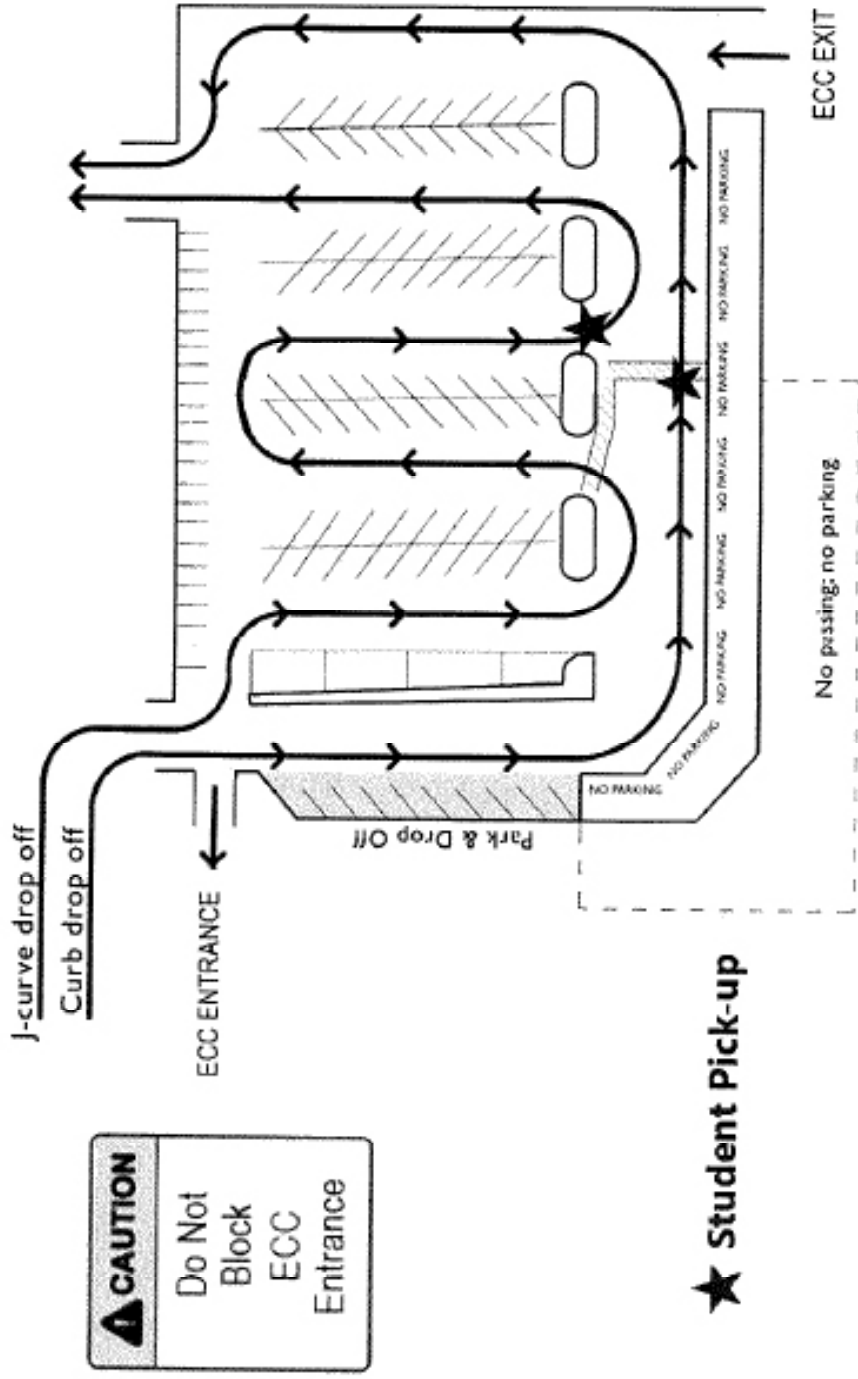

Yes, you must submit a separate form for EACH student.
- **What are the criteria for allowing my child to attend in-person classes?**

The student must have a temperature below 100.4°F and must answer NO to all of the symptom and exposure questions. If these requirements are not met, please do not send your student to school and contact the school for further instructions.
- **Do I need to submit a form if my child is sick?**

A form should be submitted every day when your child is attending in person, even if you know they have a temperature you still complete and submit the form. This will allow the school to have data. If your child is doing synchronous learning then you wouldn't need to submit a form.
- **What do I need to do before the first day of school?**

All families are strongly encouraged to use this time to ensure that you are able to successfully bring up the form and submit answers to the questions. You can practice by submitting as many forms as you would like before the first day of school. All data submitted before the first day of school will be considered as test data and will be discarded.
