Chapel Offerings

Chapel offerings during the month of September will be donated to the local SOS – Spirit of Sharing. The money will benefit families that need assistance with food. We give thanks for the opportunity to help feed others.

In Our Prayers This Week

Each week this school year, the faculty will be praying for the school families. This week we lift up the following students and their families: Marie A., Robert A., Brayden B., Xavier C., Ezra C., Rory D., Calvin D., and Liam D.

Something to Consider...

There is a marvelous story of a man who once stood before God, his heart breaking from the pain and injustice in the world.

"Dear God," he cried out, "look at all the suffering, the anguish and distress in the world. Why don't you send help?"

God responded, "I did send help. I sent you."

I hope this little message makes you realize how important you are to the world! What can you do to make this world a better place using God's help? Ask God to guide you and your family in ways you can help those victims. Our country is only as strong as you make it! May we always walk boldly in our faith as we serve others.

Robert Mayhew, Principal

The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.

Daily Home Screening for Students

Please use this link to complete and submit a student's home screening results:

<https://forms.gle/bhd5KdtJs2acsPdu9>

- **Face covering is needed to enter the building.**
- **Please do not give your child Tylenol to mask the temperature and then send them to school.**
- **When should the home screening be performed?**

Home screenings are to be completed the morning before each school day. Ideally, the evaluation should be completed and submitted before you commute to school. Before the student enters the school, a faculty member will verify that the student's screening data has been submitted.
- **Does the screening have to be performed on the morning of the school day?**

Yes, the home screening must be completed and submitted on the morning of the school day.
- **Can the student be screened at the school entrance?**

We are asking families to complete and submit all student screenings BEFORE coming to the school door to be checked in. This approach will help to reduce the amount of time required to check-in each student. The parent will have to do this prior to the student being able to enter the building.
- **How do I submit the screening results?**

Simply click the link above and follow the instructions on the form. After the form is submitted, there will be a link that allows you to fill out additional forms if needed. (A separate form is required for each student.) Please answer the questions as accurately as possible.
- **What type of device can I use to submit the form?**

You can use a desktop computer, tablet, or smartphone. The only requirement is a data connection. For convenience, it is recommended that you save a shortcut to the form so that you can easily access it every morning.
- **I have multiple children who attend Good Shepherd. Is a separate form required for each child?**

Yes, you must submit a separate form for EACH student.
- **What are the criteria for allowing my child to attend in-person classes?**

The student must have a temperature below 100.4°F and must answer NO to all of the symptom and exposure questions. If these requirements are not met, please do not send your student to school and contact the school for further instructions.
- **Do I need to submit a form if my child is sick?**

A form should be submitted every day when your child is attending in person, even if you know they have a temperature you still complete and submit the form. This will allow the school to have data. If your child is doing synchronous learning then you wouldn't need to submit a form.
- **What do I need to do before the first day of school?**

All families are strongly encouraged to use this time to ensure that you are able to successfully bring up the form and submit answers to the questions. You can practice by submitting as many forms as you would like before the first day of school. All data submitted before the first day of school will be considered as test data and will be discarded.
