#### Tracks update from Mrs. Dixon

With the weather changing, thereby allowing for less outside time, students attending TRACKS are encouraged to bring small items from home to occupy themselves while they are in the program. Perhaps an older child may want to start a reading program. Younger students enjoy legos, coloring books(don't forget crayons or markers), or mini toys/activities. Please only send items that fit in your child's backpack and remind them it is only to be used while in TRACKS. Students are encouraged to use TRACKS time to complete homework. If you prefer your child to complete homework before being allowed to do activities, please let us know. Thank you for your partnership to create a safe and enjoyable before and after school environment.

#### Parent/Teacher Conferences

Teachers have sent out signup notices for all families. Conferenes will be virtual or in person. The date is Thursday and Friday, October 29-30. All parties will have their temperatures taken prior to coming in the buidling for safety purposes. All outside doors will be locked and teachers will come and get you for their conference. This a great opportunity to discuss the surveys also the information regarding your child along with the Easy CBM testing.

### Something to Consider...

#### Carry On

**Nothing in the world will take the place of persistence. Talent will not: Nothing is more common than the unsuccessful person with talent. Genius will not: Unrewarded genius is almost a proverb. Education will not: The world is full of educated derelicts. Persistence and determination alone are omnipotent. The slogan "press on" has solved and always will solve the problems of the human race.**  
- Calvin Coolidge

**Robert Mayhew, Principal**

**The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.**
