Mr. Mayhew has surveyed the students in their classrooms to ask if they plan to be a part of the GSLS athletic program next school year. If you would like your child to play any of the following sports, please contact Mr. Mayhew or the school office. It’s a great day to be a Charger!

**Girls: Volleyball, Cross Country, or Basketball (gr. 5-8)**

**Boys: Baseball (gr. 6-8), Cross Country, or Basketball (gr. 5-8)**

#### Teacher Highlight

Mrs. Peg Rincker graduated from Concordia, Seward in Nebraska and has been teaching for 30 years. She has been at Good Shepherd for 26 of those years. She knew she wanted to teach when she was in the 8th grade. Her favorite thing about Second grade is seeing the students enter needing her guidance and then throughout the year becoming more independent. She helps them build on the skills they learned in first grade such as reading. “I want them to know they are loved by me and more importantly, by their Savior!”

## Pastor's Corner

This weekend our youth will make a public profession of faith. They have studied the basic teachings of the Bible and can say, "This is what I believe." We pray that God, who brought them to this faith, will continue to strengthen them in faith and love in Jesus. If you would like to know more about what we believe, we have a video summary of that on our website. Just go to the "I'm New Here" on our [website](#) and look for the Seventy-Five Minute Summary of the Lutheran Faith. - Pastor Walther

## GSLC Track Team

Congratulations to the GSLC track team on their performances at the Good Shepherd track meet! Good luck tomorrow at the Belleville meet.

## Last Day for Hot Lunch

The last day school hot lunches will be served is Friday, May 14th. The last week of school (May 17-21), your child will need to bring a lunch from home. In keeping with our rules from the beginning of the school year, no fastfood/restaurant lunches should be delivered to students during the school day. Thank you for your cooperation.

## Blood Drive

Good Shepherd Lutheran Church and School are once again holding the Mississippi Valley Regional Blood Drive on Monday, May 17th, from 1:30-6:00 p.m. The donor bus will be located on the front parking lot. They do ask that you make a reservation to comply with their restrictions. You can contact the Regional Blood Center or Peg Rincker ([princker@gslcs.org](mailto:princker@gslcs.org)) to save a spot. Please consider donating to this need - and don't forget, the school can receive a grant for 20 units donated!!!!

## In Our Prayers This Week

Each week the faculty prays for our students and their families. This week we will be lifting up Bhavneet S., Natalie S., Rylen T., and Mya W. We also continue to pray for Mr. Rincker as he recovers from neck surgery. Please remember these and others in your prayers.

## Something to Consider...

**A wise man's heart discerns both time and judgment – Ecclesiastes 8:5**

**What if you knew exactly how much time...how many years, days, hours... you would have here on Earth? Would you make any changes in the way you live your life? It's a question worth considering.**

**Of course, only God knows how many days your life will contain. And although He most likely isn't going to reveal that information to you, He has given some good advice in the Scriptures. He admonishes you to be a good steward of time, to use it wisely, sober-mindedly. And you aren't to assume that you will be here even one more day... for no one knows what lies ahead. The bottom line is, entrust yourself to God and let Him help you make every minute count.**

**Robert Mayhew, Principal**

**The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.**

### **Preschool-2nd Grade**

Preschool-2nd grade will participate in programs by grade. Each program will be approximately 20 minutes long. The Preschool-2nd grade programs will be held in the front parking lot with the students performing from the sidewalk near the school main entrance. Families may park in the front parking lot and bring lawn chairs to sit and listen to the program. Families will be responsible for making sure their seats are reasonably distanced from other families. Because this is an outdoor event where more than adequate distancing is possible, face coverings will be optional for audience members. Students should arrive with a face covering in place but may be allowed to remove them during the actual program if their class numbers allow for adequate distancing in the performance area. (If you prefer that your child does not remove his or her face covering even when well distanced, please discuss that with your child as it will be their responsibility to keep it in place. You may also notify your child's teacher and Mr. Stegman but it will ultimately be the child's responsibility.)

PLEASE arrive no earlier than 15 minutes prior to your child's program and leave promptly after your child's program so that the lot is clear for the next class! The preschool-2nd grade programs will be held on Sunday, May 2nd, 2021. If the programs are not possible due to rain, the rain date will be Sunday, May 16th, 2021 at the originally scheduled times.

Students may wear nice dress clothes of any color, school standardized dress, or school year theme t-shirts with dress pants or standardized dress pants/shorts/skirts/jumpers. Please do not wear denim or t-shirts other than the school year theme t-shirts.

### **5th-8th Grade**

Tuesday, May 4th at 6:30 PM Grades 5-8 will present a concert with singing from the combined classes and a performance by the 5th-8th grade band members on the LOWER parking lot near the tracks door. Family members should bring a lawn chair to sit and listen to the program. Families will be responsible for making sure their seats are reasonably distanced from other families. Because this is an outdoor event where more than adequate distancing is possible, face coverings will be optional for audience members. Students should arrive with a face covering in place but may be allowed to remove them during the actual program when they are distanced in the performance area. Band members will be distanced from one another as they must remove face coverings to play instruments. If the concert is not possible due to rain, the rain date will be Thursday, May 6th, 2021 at 6:30 PM.

**Parents please note: ALL STUDENTS are expected to attend their programs.** Please contact Mr. Stegman AND your child's teacher as soon as possible if your child must be absent for any reason.
