Teacher Highlight

Mrs. Mary Hill, our Early 3's teacher graduated from SIUE and has been teaching since the 80's with experience working at Preschools and Daycare. This is her 2nd year at Good Shepherd and she knew she was called to teach halfway through high school when she began to volunteer for the Head Start Program. Mrs. Hill later taught in the VBS Program and Children's Church and then finally Preschoolers. 3 and 4-year olds are her favorite ages because they are still figuring out the world around them and are open to new ideas. Mrs. Hill would like them to have a good foundation for further growth academically, socially, emotionally, and spiritually. "I want them to know and love Jesus as their Lord and Savior."

Something to Consider...

A wise man's heart discerns both time and judgment – Ecclesiastes 8:5

What if you knew exactly how much time...how many years, days, hours... you would have here on Earth? Would you make any changes in the way you live your life? It's a question worth considering.

Of course, only God knows how many days your life will contain. And although He most likely isn't going to reveal that information to you, He has given some good advice in the Scriptures. He admonishes you to be a good steward of time, to use it wisely, sober-mindedly. And you aren't to assume that you will be here even one more day... for no one knows what lies ahead. The bottom line is, entrust yourself to God and let Him help you make every minute count.

Robert Mayhew, Principal

The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.

6:30 PM---5th-8th Grade program

Preschool-2nd Grade

Preschool-2nd grade will participate in programs by grade. Each program will be approximately 20 minutes long. The Preschool-2nd grade programs will be held in the front parking lot with the students performing from the sidewalk near the school main entrance. Families may park in the front parking lot and bring lawn chairs to sit and listen to the program. Families will be responsible for making sure their seats are reasonably distanced from other families. Because this is an outdoor event where more than adequate distancing is possible, face coverings will be optional for audience members. Students should arrive with a face covering in place but may be allowed to remove them during the actual program if their class numbers allow for adequate distancing in the performance area. (If you prefer that your child does not remove his or her face covering even when well distanced, please discuss that with your child as it will be their responsibility to keep it in place. You may also notify your child's teacher and Mr. Stegman but it will ultimately be the child's responsibility.)

PLEASE arrive no earlier than 15 minutes prior to your child's program and leave promptly after your child's program so that the lot is clear for the next class!

Students may wear nice dress clothes of any color, school standardized dress, or school year theme t-shirts with dress pants or standardized dress pants/shorts/skirts/jumpers. Please do not wear denim or t-shirts other than the school year theme t-shirts.

5th-8th Grade

Tuesday, May 4th at 6:30 PM Grades 5-8 will present a concert with singing from the combined classes and a performance by the 5th-8th grade band members on the LOWER parking lot near the TRACKS door. Family members should bring a lawn chair to sit and listen to the program. Families will be responsible for making sure their seats are reasonably distanced from other families. Because this is an outdoor event where more than adequate distancing is possible, face coverings will be optional for audience members. Students should arrive with a face covering in place but may be allowed to remove them during the actual program when they are distanced in the performance area. Band members will be distanced from one another as they must remove face coverings to play instruments.

Parents please note: ALL STUDENTS are expected to attend their programs. Please contact Mr. Stegman AND your child's teacher as soon as possible if your child must be absent for any reason.

OUR PRODUCTS

Made for the BBQ person who likes spice. This rub has a lot of heat, but not the type that ruins the flavor. You still get all the great taste of a rub with a nice burn at the end.

Great steak blend from top to bottom. Great garlic flavor and other spices which are blended perfectly to compliment beef! This can also be used as a great addition to chicken and vegetables.

This is a great BBQ rub. Mixed with the perfect amount of sweet and heat. Great for all types of meats and for adding just a little heat to hamburgers. Has just the right amount of spice.

This is a great all purpose rub. Can be used anywhere from meats to vegetables, but also on soups, popcorn and anything you would love to add flavor! Very little heat, but a huge amount of flavor!

Sea Dog Rub is a great Cajun blend. Intended for seafood, but can be used on any meat!
