Young Authors

Good Shepherd students will have the opportunity to participate in the district and state Young Authors Conference this spring. The purpose of these conferences is to support the classroom teachers in their efforts to improve students' writing and reading abilities. The conferences are different from the science and history fairs because the manuscripts are not judged at either level. The children get to enjoy the writings of others and get to meet "real" authors. The number of students allowed to attend the conferences is limited. A committee will select five representatives to attend the district conference and up to two students to attend the state conference. We would like to involve as many students as possible with the writing of their own creative stories. All submitted manuscripts will be displayed and student recognition will be given during chapel.

In order for the children to have successful experiences, it is important to have parent cooperation. As parents, you can encourage your children to write. How do you do that? You help them brainstorm ideas from their experiential background. You can help them (especially the younger children) to express their ideas in writing. Helping them think of ideas for illustrations, story content, and book jackets is another way for you to be involved. You can especially help them by being enthusiastic!

What can be written by children? They can write creative short stories or a collection of original poetry. They can rewrite stories or "polish" stories they've written earlier in school, either as assignments or for their journals.

Some teachers will use a period of in-class time to introduce the students to this idea and get them started. Some grades may be required to do more independent work than others.

The manuscript is due January 21, 2022 to your child's teacher unless otherwise stated by the teacher.

In order to maintain some uniformity, books should have the following:

- 1. A jacket of substantial quality with the pages securely attached. The jacket should have an illustration, a title, and the author's name.*
- 2. A title page including the title of the book, the author, a fictitious publishing company, and a copyright date.*
- 3. A dedication page, dedicating the book to someone special.*
- 4. Three or more illustrations done by the child. (optional for grades 5-8)*
- 5. Dictated books may be typed or hand written by an adult, but must be in the student's own language*
- 6. OPTIONAL—the child can write an author's page, telling about him/herself.*
