## Something to Consider...

### The Cure!

A woman paid a visit to her doctor. She claimed to be afflicted with any number of maladies, yet a thorough exam failed to support her complaints. Tests were ordered, more exams given, but all the results showed that she was physically healthy.

So, the doctor interviewed the woman about her personal life. As he suspected, the woman's feelings of illness stemmed from her negative outlook on life. In an effort to discourage this type of behavior, the doctor spoke candidly to his patient. "Do you see these empty medicine bottles?" the doctor asked her. "I can fill them with poisons that will slowly eat away at you. Life is a lot like these empty bottles. What goes into them is determined by the outcome one wants to achieve. What would you choose?"

The woman left the room with an embarrassed look on her face. Several days later she phoned the doctor at his office. "Ah, Ms. Bernard, what seems to be the trouble today?"

"No trouble at all," she replied. "I just wanted you to know that I made a choice. I want only the best of what life has to offer." The best what life has to offer is having our roots firmly in God's Word
