

Charger E-Newsletter #7 2-5-22

Happy Valentine's Day!

I just love how John 3:16, the GREAT LOVE verse of the Bible, fits right into the word Valentine! God's love for us is never ending, unchangeable, and personal. His sacrifice for us gives us peace and confidence to live for Him now and grants us eternal life with Him in our life to come. What a gift! We share this gift of love daily with all of our students...pass it on to someone you know today!

Chapel is a very important part of our week. Our guest chapel speaker was Seminarian Chris Dhuse, from Batavia, IL. He's in his first year of studies at Concordia Seminary, St. Louis and also doing his fieldwork here at Good Shepherd. He is also engaged to our 3rd grade teacher, Miss Anna Gain! They met at Concordia University, Wisconsin and plan to get married next year.

This E-newsletter is sponsored by former GSLS principal, Dr. Bill Cochran!

Two great GSLS Principals.....1984 - 2021

1984

Here is a great picture of Mr. Mayhew (who was one of the first teachers hired in 1984) and Dr. Cochran (who was the founding principal of Good Shepherd Lutheran School that year).

Dr. Cochran says, "I give thanks and praise to God for the teachers and staff who have served so faithfully over the years since the school's beginning! To God be the Glory!"

Dr. Cochran continues to be a big supporter in various ways since his retirement. Last fall, he visited Mrs. Batty's 4th grade classroom. He shared stories with her students about how the school started, how God provided then, and will continue to provide for us now. Students were amazed how different the school was back then. (You know... back

in the good old days!)

We thank Dr. Bill Cochran for his amazing and continued support!

Our students sang and wished our January Birthday Teachers a very BLESSED year ahead!!

In January, students and office staff sang to Mrs. Cluck to celebrate her birthday! We are all SO VERY grateful for how she holds that front office together for us!

Click for: <u>Video of</u> Mrs. <u>Cluck's</u> Birthday

Since his birthday was on a chapel day, the WHOLE SCHOOL got to sing Happy Birthday to Mr. Zach Stegman, who is our very talented music director.

WHY we do WHAT we do! Proverbs 22:6 "Train up a child in the way he should go; and when he is old, he will not depart from it."

At GSLS, we believe in teaching our students to look at the world through "3rd world glasses" so that they may understand what it is like for children living in these countries, and see how blessed they are to live in America. Our hope is that, by learning how children in 3rd world countries live, we will cultivate grateful hearts in our students and move them to ask,

"What can I do to help?"

Mrs. Nancy Stallard, who did a mission trip to Zambia with her 9-year-old daughter in 2007, shared with our students that in Zambia, if children want toys and balls to play with, they have to make them out of plastic bags and scraps they find as they walk along the road. Students enjoyed dressing up in traditional dresses and playing with two Zambian soccer balls, and a truck made of wire scraps, with wheels made of flip flops. They got to try grinding grain for food and enjoyed holding Zambian necklaces, bracelets, spoons, and little toy animals made out of wood.

<u>All of our chapel offerings for February are going to help buy backpacks</u> <u>filled with school supplies for children in Zambia.</u>

Mrs. Hasamear does such a wonderful job teaching grammar and writing to our students. It's no wonder that last year, three of our 7th graders (now 8th graders) had their poetry published! (left to right) Natalia B., Alyssa B., and Kylie B. had their poems published in the "Expression 2021 Poetry Collection." They submitted entries to the American Library of Poetry Contest. Each year, this organization receives thousands of submissions from talented young authors. Since only a select hundred are chosen for publishing, we are so proud of our students for working hard and being creative in their writing skills. Congratulations!

We had 14 alumni attend our Alumni Basketball Game on January 11th! It was so areat to see them! If vou are an alumnus. or have an alumnus student. please send your/their email address to nstallard@gslcs.org so that we

can add them to our alumni data base.

This month our staff spotlight falls on Dr. William D. Cochran —the man who started it all here at GSLS! On the left is his first principal picture in 1984...on the right, retired, and visiting our school in the fall of 2021. He seems to be smiling more now :-)

Dr. Cochran received his BSED from Concordia, Seward, his MSED from SIUE, and his Honorary Doctorate from Concordia, Ann Arbor. He was a blessing in various classrooms for 54 years! WOW! That's a lot of great teaching! He taught 22 of those years at GSLS and served as our principal for 8 years.

Dr. Cochran and his 8th grade class in the first GSLS Charger yearbook!

Dr. Cochran as principal and his 1st 8th grade class that graduated in May 1985

In 1984, he was instrumental in opening the school. He taught grades 6-8, as well as serving as the principal. Bob Mayhew was the first male teacher he hired, and together they saw the school go through several building projects. Portable classrooms were used to hold the overflow students.
 Dr. Cochran's two children attended GSLS and graduated in the classes of 1985 and 1987. What he loved most about teaching here were the teachers, eager students and their families, and how supportive the congregation was of the new school.

Dr. Cochran speaking to 4th graders

Dr. Cochran with Mrs. Batty's class

Dr. Cochran feels that our school is a wonderful outreach opportunity and blessing to the community, as we meet the needs of the hundreds of students we serve.
He knows that faith in God was the reason Good Shepherd Lutheran School was established, and knows that faith in God still remains a quality of the school today! He is grateful for all our donors because their support enables Good Shepherd to continue providing the high quality of education we are known for, and for sharing the saving Gospel message with others.

In his retirement years, Dr. Cochran enjoys visiitng GSLS....

...and spending time with his family

His favorite Bible verse is his confirmation verse (which is also our school theme verse for the year!) Romans 1:16 "*For I am not ashamed* of the GOSPEL of Christ, for it is the power of God unto salvation for everyone that believes."

We are so thankful God worked through Dr. Cochran to open and run this school 38 years ago and are grateful for his continued prayers and support!
