Something to Consider...

Celebrate Mother's Day!

Mother's Day is observed this year in the U.S. on Sunday, May 8th. Appropriate to honoring the women who set the standard for many contemporary leaders, here are some thoughts about mothers that reflect their power and wisdom: Motherly love is not much use if it expresses itself only as a warm gush of emotion, delicately tinged with pink. It must also be strong, guiding, and unselfish. The sweetly sung lullaby, the cool hand on the fevered brow, the Mother's Day smiles and flowers are only a small part of the picture. True mothers have to be made of steel to withstand the difficulties that are sure to beset their children.

**Rachel Billington – Writer
Give your mother a HUG and Great BIG THANK YOU for the Love she has shown you!
The curve of a mother's smile can set a lot of things straight!**
