## **Christian Sportsmanship**

The athletic program is a part of the ministry of Good Shepherd Lutheran School. The number one goal of Good Shepherd Lutheran School is to see that each child develops to the fullest of his/her capabilities. Each activity and program is dedicated to our Lord and Savior, thus inspiring each student to dedicate all they do to His service. It is essential that the conduct of players, parents, coaches and fans, is exemplary. The following guidelines give specific expectations so that participation in the athletic program is at the highest level of Christian sportsmanship:

### **I. The Student Will**

1. Give glory to God through Christ-like speech and behavior at all times, both on and off the field or court.
2. Show respect to the coach, work hard and follow directions for the good of self and the team.
3. Treat opponents as guests and friends.
4. Accept the referee's decisions without arguing.
5. Discuss any questions or concerns with the coach.

### **II. The Parental Role in the Development of the Student Athlete**

The parent(s) / guardian(s) of a student are usually the determining factor in their child becoming an athlete. One of our primary goals is to experience and live out our faith in Christ. The responsibilities of the parent / guardian play a vital role with the development of a student athlete at Good Shepherd. A list of responsibilities is presented below:

1. Teach by example a Christian attitude towards all.
2. Assist the student to establish proper priorities with respect to church, family, peers, studies, and athletics.
3. Encourage and participate in the development of the student athlete's abilities.
4. Support the student's commitment to teamwork
5. Encourage each athlete to accept responsibilities for both individual and group actions.
6. Commit to help the athletes by attending sports events, driving, selling at the concession stands, assisting in clean-up and encouraging the coaches.
7. Pick up students on time after practices and games.
8. Understand not all students have the same athletic abilities so playing time will differ at each grade level.
9. Instill in the athlete good health habits towards diet, sleep and exercise.
10. Use the line of progression to resolve any problems. Address the problem first to the Coach, then to the Athletic Director, then to the Principal, and finally to the School Board.
11. Represent yourself in a Christian manner before, during and after athletic events.
12. Enthusiastically support teams at athletic events without being over zealous or critical of coaches and officials. The coach will respectfully address disagreements with the referee.
13. Support and encourage the student and other parents to model the saying in the gym " Modest in Victory... Gracious in Defeat..."

#### **IV. Objectives For Christian Sporting Activities:**

1. To promote a positive competitive atmosphere.
2. To represent Christian standards in athletics.
3. To encourage physical activity now and in the future.
4. To enhance one's own athletic ability and build self confidence.
5. To promote fellowship and sportsmanship in competitive play.
6. To promote healthy bodies through leisure activities.
7. To develop the ability to work together as a team.
8. To encourage one another through Christian witnessing.

#### **V. Code Of Conduct For All Sporting Activities:**

1. All members should remember they are representing Good Shepherd Lutheran School.
2. Uniforms will be kept neat, clean and in good order.
3. All members will dress up during games to present a good image.

### **XIII. Academic Eligibility For Athletics**

1. These guidelines have been established to emphasize the extreme importance of academics and of the well-being of the student. Good Shepherd Lutheran School "GSLs" is deeply concerned about each student's mental, spiritual, physical, and emotional development. GSLs desires that students achieve a defined level of academic achievement in order to be eligible to participate in school athletics as an extra-curricular activity. The following policy and procedure shall be followed:
  - 1) "Academic standard" means no grade of an "F" and not more than one grade of a "D".
  - 2) "Grade" means the letter grade given to a student on a report card or in a mid-quarter report.
  - 3) "Grading period" means the time of distributing a report card or a mid-quarter report.
2. If a student does not meet the academic standard at any grading period, he will be put on academic

probation. Academic probation shall last to the next grading period. During this period, the student will be permitted to participate in practices and games as regularly conducted. At the end this period, all of the student's grades will be examined. If the student's grades do not then meet the academic standard, he will not be permitted to participate in school athletics for the remainder of that season. The student may participate in school athletics in a subsequent season if he has met the academic standard at that time.

3. The eligibility / ineligibility will go into effect the day report cards or mid-quarters are issued out.
4. The guidelines will be administered by the Athletic Director. Questions concerning the guidelines should be addressed directly to the Athletic Director.
5. Questions concerning grades in specific subjects should be addressed directly to the subject teacher.

#### XIV. Sample Letter

RE: \_\_\_\_\_  
(Name of the student)

Dear \_\_\_\_\_

As of \_\_\_\_\_, 20\_\_\_\_, your child is on academic probation. Attached to this letter is a copy of the GSLS policy concerning academic eligibility for athletics, which explains this term.

Your child's grades will be reviewed in the next grading period to determine whether he/she has met the academic standard. As the guidelines state, if the student's grades do not meet the academic standard at that time, he/she will not be permitted to participate in athletics for the remainder of the current season.

Please contact the teacher or teachers involved to begin the process of helping your child academically.

I hope and pray this matter will be taken care of so your child may continue in the sports program. If you have any questions regarding the guidelines, please contact the Athletic Director, Mr. Mayhew.

In Christ,

Robert Mayhew, Athletic Director  
Good Shepherd Lutheran School
