Pastor's Corner

In the parable of the workers in the vineyard, the master goes out and hires laborers again and again—early in the morning, and all the way to the end of the day. When evening comes, he pays everyone the same. How can that be right? It doesn't seem fair. But the master knows exactly what he is doing. He gives to each worker not according to how long they labored, but according to what they need for the day. He does not measure wages by merit; he gives out of his generosity. In the same way, our Lord does not deal with us according to our work or worthiness. Instead, out of His gracious abundance, He gives us exactly what we need: the forgiveness of sins, won for us through the death and resurrection of Jesus. This weekend, we hear and receive that same freely given grace once again! - Pastor Gray

Something to Consider...

Living as Christians in a Secular World

Christians today live in a world that often sets faith aside. Cultural values may conflict with Scripture, and believers can feel pressure to blend in rather than stand firm. Yet Jesus reminds us that we are not called out of the world, but to live faithfully within it (John 17:15).

Our identity is rooted in Christ. Through Baptism, we belong to God, and His Word—not culture—shapes who we are. Secure in that identity, we are called to be “salt and light” (Matthew 5:13–16), showing God's love through our words and actions with humility, grace, and truth.

Living faithfully also requires discernment, especially as we guide children and young people to measure the world against Scripture. At the same time, we engage others with compassion, not fear, trusting God to work through us.

Though living in a secular world is challenging, God does not leave us alone. Through His Word, Sacraments, and Christian community, He strengthens us to live boldly in faith and love—right where He has placed us.

Blessings!

Robert Mayhew, Principal

The purpose of Good Shepherd Lutheran School is to provide each student with a quality Christian Education. We recognize that this begins with the premise that Jesus Christ is our Lord and Savior and in Him we have eternal life. The curriculum and all activities are developed around this premise.

UNIT SIX >>> UNIQUELY YOU

Good Shepherd Families!

Unit 6 is titled **UNIQUELY YOU** and teaches us to know that we are God's masterpiece, uniquely created for a specific purpose. We'll learn how true beauty comes from the inside, and that our differences are beautiful—they make our world an exciting place. By the end of this unit, students will see how God made all of us uniquely for a reason and that our differences make us stronger!

Catchphrase (main point for students to catch on to):

"Uniquely You"

Key Verse (Biblical anchor points):

Psalms 139:14

"Body and soul, I am marvelously made!"

Ephesians 2:10

"For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago."

Have you ever met a person who was beautiful on the outside but was mean, petty, or a bully once you got to know them? Beauty doesn't just come from our physical appearance; beauty comes from inside us. The world values outward beauty and attractiveness, but God honors noble character. Generosity, love, compassion, kindness, and courage are truly beautiful. Here are some ways you can **Continue the Conversation** at home this month with your student about what it means to embrace being "Uniquely You":

1. **God designed each of us with purpose and intention.** We were not created by accident. God took His time and made you look the way you do for a reason. You are uniquely you.
2. **You are more than your physical appearance.** If we judge ourselves or other people based solely on physical appearance, we miss out on knowing the whole person. You are more than the way you look!

-
3. **Focus on the other things that make you YOU.** Are you kind? Considerate? Generous? Silly? A good friend? A good helper? All of these qualities make you YOU. Your physical appearance is what people see, but who you are on the inside says a lot about you as a person. (And God gave you all those great inside qualities, too!)

COMPARISON IS THE THIEF OF JOY ///

Theodore Roosevelt, the 26th President of the United States, said, "Comparison is the thief of joy." And he was right! When we constantly compare ourselves to others, it can make us sad, angry, and feel bad about ourselves. There is joy in discovering and liking the wonderful things about ourselves.

KEEP IT GOING ///

Is there something that your child shared that was insightful from in this unit? Please share. Feedback equips us in directing classroom conversations.

Your students are learning relationship skills that will benefit them for a lifetime!

Blessings,
Mr. Mayhew
